

Project: "Baltic Actions for Reduction of Pollution of the Baltic Sea from Priority Hazardous Substances"

Meeting on screening of Hazardous substances in practice will take place on 16-17 April in Vilnius, Hotel "Centrum Unikestay"

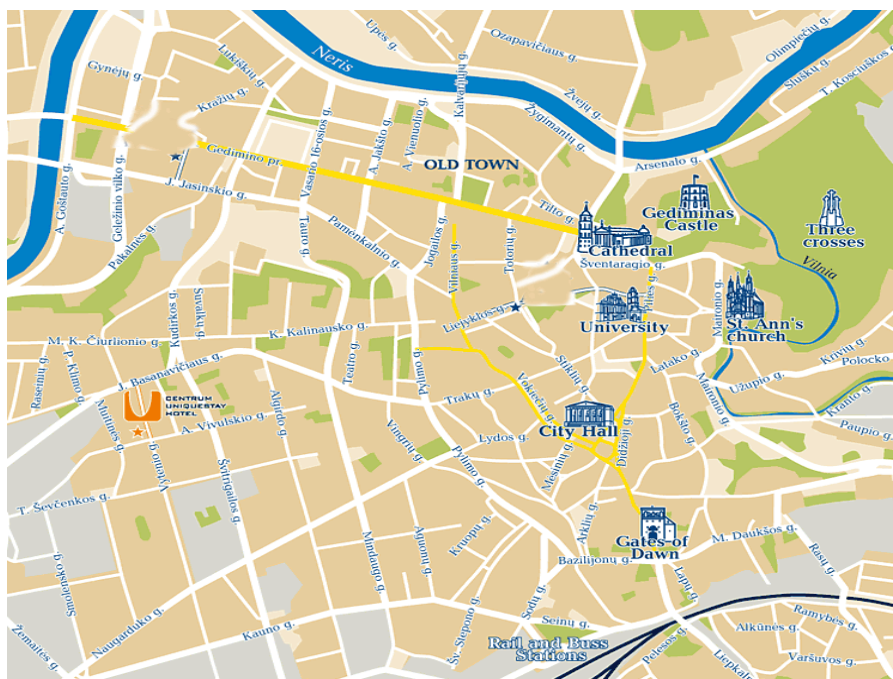

(Address: Vytenio str. 9/25, LT-03113 Vilnius, Lithuania)

About the meeting on screening of Hazardous substances in practice:

16th of April, Session 1, starts with the overview of hazardous substances screening exercise in Lithuania and in Finland. Findings, choice of sampling sites, substances and matrixes will be discussed as well as the further use of the results of screening. Setting task for the working groups and planning of hazardous substances screening in Estonia and Latvia will take place.

On the 17th of April the Reports and output of the previous day will be discussed as well as quality assurance aspects. In Session 2 overview of tracking of hazardous substances in Finland is given. After that discussion round on tracking of hazardous substances in Baltic States and setting the frame for further screening actions in Estonia and Latvia will take place.

It is planned to finish the day at 13:00 with common lunch.
